

SIFA

Sweden India Film Association

Date: 12/05/13

To Whom It May Concern

CHAITALI is a Freelance Producer and Director from India.

She is well known to our Association.

We have had a long association and seen her in various capacities as a TV Professional. She is an international Documentary Film Maker and we have had the opportunity to work with her and her team.

We are presently in collaboration for a Documentary project where she will be Directing and providing her crew for our forthcoming project.
